About Us

Petersen Training LLC is a professional training and consulting firm specializing in project management, leadership development, and workforce training. Founded in 2018, the company delivers structured, results-driven training and consulting services to government and commercial clients. Petersen Training provides instructor-led, simulation-based, and customized training programs designed to enhance project management effectiveness, strengthen workforce capabilities, and improve organizational processes. The firm supports organizations in building leadership pipelines, improving employee performance, and implementing scalable management systems.
